

BOYA VAMSI KRISHNA

Vijayawada | +(91)- 7569553626 | vkrishna1871@gmail.com | [LinkedIn URL](#) | [Git Hub](#)

Passionate Computer Science Engineering student with a drive for building scalable applications from the ground up. Equipped with a strong foundation in Python, object-oriented design, and data structures, alongside versatile skills in SQL, JavaScript, and Java. Having honed my problem-solving skills through rapid prototyping and hands-on projects. I am eager to innovate and deliver high-quality, impactful software within a dynamic technical team.

EDUCATION

- B.tech - Computer Science and Engineering 2023 - 2027
CGPA : 9.12(Till now)
NRI Institute of Technology, Pothavarappadu, Agiripalli
- Intermediate-MPC 2021 - 2023
KBN College
Marks : 807
- SSC - 10th Class 2020 - 2021
Sri Gowtham High School
Marks : 600

PROFESSIONAL SKILLS

- Programming Languages: Python (OOP concepts), Java
- Database Management: SQL (queries, joins, normalization)
- Web Technologies: JavaScript, HTML, CSS (basics)
- Problem Solving: Strong analytical thinking with hands-on coding practice
- Tools & Platforms: Git/GitHub, VS Code, Pycharm
- Fundamentals: DBMS, Machine Learning, Deep Learning
- Learning & Adaptability: Quick learner and can adapt to new technologies and product environments

PROJECTS

1. Blood Donor Website

Developed a full-stack web application that connects blood donors with recipients. Implemented donor registration, user authentication, and blood group-based search features. Integrated a database to manage donor information efficiently

2. Online Quiz Application

Developed a full-stack Online Quiz Application that allows users to take quizzes and view their scores instantly. Implemented user authentication, score calculation, and question management features. Integrated a database to store user information, quiz questions, and results securely.

CERTIFICATIONS:

- **Cloud Computing** – Completed certification in Cloud Computing concepts and technologies.
- **Quantum Computing** – Completed certification covering the fundamentals of Quantum Computing.
- **IoT Elite** – Certified in Internet of Things (IoT) technologies and applications.
- **Python Programming** – Completed Python Programming certification from Udemy.
- **Python Essentials** – Completed Python certification from Cisco Networking Academy.

CORE STRENGTHS / PERSONAL TRAITS

- Collaborative team contributor
- Proactive in learning and skill development
- Maintains performance in fast-paced environments
